## BIOGRAPH DATA

Identification :

Name ( full ) : Michel de la Bruyere Vincent . ( aka Michel Vincent aka Michel D. Vincent ) . ( mbv ) .

Nationality : Dane

Born : 5 September 1946 . Copenhagen . Denmark

Profession : Architect . Product Design . Media Art .

Company : Bruyere-Vincent Industrial Design .

Inventor of the hexagonal and cylindrical stove, barbecue and tablegrill systems , "Arresø System™".

## Product Design

1973 Establish design office in Birkerød, Denmark .

1973 Design and construction of the " Mobile Theater " in Birkerød, Denmark

1974-1975 Design, construct and develop the mbv steel fireplace and the cubic stove "Arresø 1" ,  
a prototype hereof was fabricated on the danish steelwork DDS in Frederiksværk, Denmark .

1975 Establish Industrial Design company with production and sales trademark " Arresø Form "

1975-1976 Design,construct and produce the hexagonal open-fires comb.stoves "Arresø 2" and "Arresø 3".

1976-11 Award Medaille Vermeil for design and innovation of the hexagonal stove Arresø 2 stainless steel,  
at the exhibiton " Eureka " Bruxelles 1976, Belgium.

1976-1977 Photos of the hexagonal stove "Arresø 2" published in Denmark and Belgium.

1977-03 Award Gold Medal for design and innovation of the hexagonal stove Arresø 2 stainless steel,  
at the exhibition " International Inventors Expo 77 " New York City 1977, USA.

1977-06 Enter licence production and sales contract with the manufacturer Bodart et Gonay, Theux Belgium

1977 Design and construct the tablegrills "Arresø 4" hexagonal, the "Arresø 5" cylindrical, in Theux Belgium.

1977 Designpatents of the mbv hexagonal and cylindrical tablegrills are registered in a range of countries.

1977 Prototypes of the hexagonal tablegrill Arresø 4 are manufactured by Bodart et Gonay, Theux Belgium

1977-12 Award Gold Medal for design and innovation of the hexagonal tablegrill "Arresø 4" stainless steel,  
at the exhibition "6th Salon International des Innovations et des Techniques Nouvelles" Geneve 1977.CH.

1978-11 Award Bronze Medal for design and innovation of the hexagonal tablegrill "Arresø 4" stainless st,  
exhibited on the exhibition " Iena 78 " Nürnberg 1978, Germany.

1978-12 The mbv hexagonal stoves are selected by the " Design Centre Bruxelles " Bruxelles 1978, Belgium

1978-1980 Photos of the hexagonal stoves "Arresø 2" and "Arresø 3" published in Belgium, UK, Germany.

1979 Photo of the hexagonal tablegrill "Arresø 4" published in Canada

1979-1980 Design and construct the modular hexagonal and cylindrical stove systems , "Arresø System".

1980-08 From august 1980 are all mbv productdesign patented and pending in a range of countries.

1980-08 Enter licence production and sales contract with the manufacturer Bodart et Gonay, Theux Belgium

1980-10 Diplome "Ehren Urkunde" issued for innovation of the hexagonal stovesystem "Arresø 3 System"

serie 300 and cylindrical stovesystem "Arresø 6 System" serie 400 at "Iena 80" Nürnberg 1980, Germany

1980-12 Contract for distribution of the "Arresø System" stoves in France with "La Boutique Danoise" Paris.

1981-05 Award Gold Medal for design and innovation of the hexagonal and the cylindrical stove systems "Arresø System", at the exhibition " International Inventors Expo 81 " New York City 1981, USA.  
1981-1982 Photos of the "Arresø System" stovesystems published in Europe, Canada and USA.  
1982 Design modular barbecuesystems "Arresø 4 System" hexagonal and "Arresø 5 System" cylindrical.  
1984 Prototypes of the hexagonal barbecuesystem are manufactured by Wieghorst Eft.Flg., Glostrup, DK  
1984 Design and construct Round Table with hot plate , named the "Hjarnø Table" or the "Arresø 7" .  
1985 Prototypes of the cylindrical barbecuesystem are manufactured by Norup A/S, Hedensted, DK  
1985-09 Exhibit the tablegrills, barbecuesystems and table on Messe Köln "Spoga 85" , Köln, Germany  
1985-10 Photos of the "Arresø System" stovesystems published by the magazine "Bo Bedre", Denmark  
1985 Design and innovate the hexagonal and cylindrical stove systems after DIN 18891 bauart 1-2.  
1986 Enter licence production contract with the manufacturer Bergmann und Beck GmbH, Witten, Germany  
1986-06 Photos of the hexagonal and cylindrical barbecuesystems published by Schöner Wohnen, Germany  
1986-09 Exhibit tablegrills, barbecuesystems, table and stoves at Messe Köln "Spoga 86". Köln, Germany  
1987 The Hexagonal stovesystem serie 3500-3600 is DIN 18991 b 1-2 registered by RAG, Essen, Germany  
1988-02 Exhibit all products mbv "Arresø System" : tablegrills, table, barbecuesystems and stovesystems , at Messe Köln "Domotechnica 88" Köln 1988, Germany  
1988-03 Exhibit mbv barbecuesystems and stovesystems at " Haus Industriefom Essen " Germany .  
1990-08 Exhibit stovesystems at fa. Ruegg, Dietikon, Zürich, Switzerland .  
1990 From 1990 the design and construction of the productsystems are innovated , improved and supplied as designpatents registered and the mbv productline offered for RTDI licence productions and sales.  
1995 From 1995 archive,images, design and technical drafts has been digitalised documented.  
1998 The Michel de la Bruyere Vincent company is from 1998 named " Bruyere-Vincent Industrial Design " , the trademarks and productnames "Arresø Form", "Arresø System" and "Arresø nr." are continiued trademarks for the stove, barbecue and grill producttypes and -systems by Michel de la Bruyere Vincent.  
2000 The "Bruyere-Vincent Industrial Design" is equipped with CAD, Imaging,Video and WEB facilities.  
2006 Design of the mbv websitesystem for document exhibition of design and image data on the internet.

## Media Art

1953 First photocamera and photographic experience.  
1967 Establish photostudio. Experiment with photo, film and photographic prints.  
1968 Photographed 720 b/w photos during participation in the research of 68 Small Danish Islands.  
1968 Start production of Liquid-images for mixedmedia art performance.  
1969 Start filmproduction in march 1969. Use Fujica Z2 film-cam and the polyesterbased single8film.  
1969-1972 See production data: King Kong Lightgroup programmes ( [www.kingkonglightgroup.dk](http://www.kingkonglightgroup.dk))  
1969-1972 See production data: King Kong Lightgroup image index ( [www.kingkonglightgroup.dk](http://www.kingkonglightgroup.dk))  
1969-1972 See production data: King Kong Lightgroup film/filmloop indexes ( [www.kingkonglightgroup.dk](http://www.kingkonglightgroup.dk))  
1969-1972 See data : The King Kong Lightgroup media art performances ( [www.kingkonglightgroup.dk](http://www.kingkonglightgroup.dk))  
1969-1973 Produce macroprogrammes and programmes for king kong lightgroup media art performances.  
1969-1973 Produce series of filmloops (200) and films (24) for multiscreen media art performances.  
1969-1973 Produce series of color-,infrared- and b/w dias (2000) for multiscreen media art performances.  
1970-11 Produce " Voltage70 " film-and soundloop programme and performance  
1970-11 " Voltage70 " filmloop version performed at Studio 7 , Rome , Italy  
1971-01 Produce " Voltage70 " film-soundloop video version at Sony Lab in Copenhagen .  
1971-01 Record 20 minutes composition for 2 soundgenerators at Sony Lab in Copenhagen .  
1971-01 Produce photoposter for the King Kong Lightgroup performance at Dagmar Bio Copenhagen.  
1971-06 " Voltage70 " videoloop version performed at Melkweg, Amsterdam.  
1971-03 " Voltage 70 " filmloop-soundloop programme,

performed at the Charlottenburg exhibition "Noget for Noget" , Copenhagen  
1971-05 Program " Multiscreen Havblink " for multiscreen media art performances.  
1971-1973 Produce " Cityenvironment " 6 channel 20 min. film- and mixedmedia programme  
1972-08 Mixedmedia art performances "1. Lightjoint" Amsterdam,  
performed at Kosmos former Fantasia,Vondelpark ao. places in Amsterdam  
1972-10 Program " Random Havblink " 4 channel filmloop random lightinterference performance.  
1972-11 " Random Havblink " 4 channel filmloop random lightinterference programme,  
performed at the Academy of Fine Arts, the Architecture School, Copenhagen.  
1973-06 Mixedmedia 12 screen setup art performance including programmed sound, film, dias  
sequences from " Cityenvironment " and a 6 screen setup of " Multiscreen Havblink " filmloop programme  
performed at the Academy of Fine Arts, the Architecture School, Copenhagen.  
1973-08 " Mobile Theater " 12 screen setup for media art performance "2. Lightjoint"  
including " Cityenvironment " and " Multiscreen Havblink " filmloop programmes,  
performed in Amsterdam, Vondelpark ( closed because of el-supply problems),  
supported by Melkweg, the danish Culture Ministry and Filmfoundation.  
1974-02 Sequences from " Voltage70 " and " Confrontation " ,  
performed at " The Danish Filmschool " , Copenhagen.  
1977-06 Mixedmedia multiscreen performance " Cityenvironment "  
performed at the Academy of Fine Arts, the Architecture School, Copenhagen.  
1979-06 Art film performance with filmsequences from " Confrontation "  
performed at " Third International Avantgarde Filmfestival " London .  
1980-1990 Michel Vincent images are integrated in media art performances  
by Steen T. Krarup and Nina Steen-Knudsen from 1980-1990 as performed at " Gallery Congo "  
Copenhagen 1985 and " Rockens Billeder " (Brandts Klædefabrik) Odense Kunsthall 1990  
1981-1986 Produce series of color dias for media art performances.  
1981-1986 Produce series of the graphic posters " Voiles " and some oil paintings .  
1984-06 Art exhibition " Hjarnø Udstilling " . Exhibition of poster graphics " Voiles " and paintings  
from Mons Belgium, Menton France, Münster Germany and Hjarnø Denmark.  
1995-07-09 Produce digital images at HC in Taastrup assisted by Mogens Jacobsen  
1995-10 Art exhibition " Ambiguo " at Centro Lavoro Arte , Milano , Italy  
participate with 50x50cm , cibachrome digital photoprints , " Black Madonna red " and " Hr. Strom " .  
1995-11 Art exhibition " Almost 50/50 " at Københavns Hovedbibliotek, Copenhagen  
participate with 50x50cm , cibachrome digital photoprints , " Black Madonna red " and " Hr. Strom " .  
1996-09 Art exhibition " Copenhagen Cyberport " - " Bio-Sampling-Project " by Steen T. Krarup,  
participate with laserprints 9/96 " Black Madonna gold " and " Emulsion 1 "  
1999-2004 Produce series of digital color images for posterprints and media art performances.  
2001-2007 Compose, play and record music compositions by Detlef Sellenriek and Michel Vincent,  
compose june 2003 the ballad " Osnabrück City Blues " playing at the Blues Session in Osnabrück.  
2004-2008 Produce series of digital color images for media art performances.  
2005 Produce website system for document exhibition of design and image data on the internet  
on websites bruyerevincentdesign.com, arresoe-form.dk, artdim.com with king kong lightgroup webarchive.  
2007 Produce film and video sequences for the project "moto de" video art performance.  
200712 Produce the flash-video version of "Voltage 70". Upload rec20071217 channel "bruyere vincent".  
2006-2008 Produce series of digital images named " Lightdrafts ™ " for video and media art performance  
"Lightdrafts . Georgsmarienhütte 2006-2008 by Michel de la Bruyere Vincent © 2006-2008"  
2006-2011 Produce the website document : www.kingkonglightgroup.dk. Upload rec20110520  
200801 Create the video loop "Light Draft Suite part 7.2.13", length 3.21 min.  
2010-2012 Produce updates to www.bruyerevincentdesign.com - rec20120320  
201101 Create the video imageloop "Light Draft Suite part 7.2.12", length 8.52 min.  
201105 Create the video imageloop "Metamorphe 1-6", photos of liquid images by Steen T. Krarup.  
Upload rec201105-rec20110927 to the YouTube channel : "SteenTKrarup".  
201105 Produce full HD video version of "Havblink" S8F Filmloops by Michel Vincent 1970.  
Upload rec201105 to the website kingkonglightgroup.dk  
201206-11 Produce series of full HD video documents of the King Kong Lightgroup  
original basic liquid-images - cooperation with Steen T. Krarup.  
Uploads to the YouTube channel : "fondkrarupvincent" :

#### Some personal data

Parents : Eva Birthe Vincent ( nmr dk shape 1965-1989 ) and Rene de la Bruyere Vincent  
( <http://modstand.natmus.dk/Person.aspx?33259> ) . Sister : Loulou de la Bruyere Vincent , born 1948.  
The family Vincent emigrated from Paris, France to Copenhagen, Denmark around 1820.  
Son : Mads Vincent Schmidt , born 1973 , mothers name : Liselotte Schmidt.  
The family residents in Vedbaek 1946-1953, Birkerød 1953-1974, Denmark,  
in Paris, France 1965-1967 and Mons, Belgium 1967-1989 .  
Resident in Denmark, Frederiksværk 1974-1977, in Belgium, Mons 1977-1983,  
in Germany, Münster 1979-1983 and 1986-1988, in Denmark, Hjørnø 1983-1986,  
in Denmark, Fredensborg from 1988-1997, in Germany, Rödinghausen 1998-2004,  
in Germany, Georgsmarienhütte from 2004-2008 . Resident in Denmark from 2010

1953-1963 Realexamin. from Birkerød Statsskole, Birkerød.  
1954- Learn to play piano and clarinet. Play from 1960 Alto-Saxophone in jazz groups and at sessions.  
1963-1965 Carpentry apprenticeship including classes at carpentry technical school.  
1965-1967 Studentexamen. math-phys. from Akademisk Kursus , Copenhagen.  
1967- Enter studies at the Royal Academy of Fine Arts , the Architecture School, in Copenhagen.  
1968-1970 Participate in the Culture Ministry research of 68 Small Danish Islands.  
1968-1972 Produce Liquid-images, art photos and film, multimediaprogrammes - perform as.  
co-founder and participant in the King Kong Lightgroup media art performances 1969-1972,  
partly supported by the Culture Ministry, Nordic Foundations , the Danish Filmfoundation and Fuji Film.  
1971-1972 Study cybernetics and follow computer course at the Architecture School.  
1971-1973 Study suspended structures and design "Mobile Theater" for media art performances.  
1972-1973 Organize and participate in the 1. and 2. Light Joint held in Amsterdam , Netherland.  
1974 Work at the Danish Steelwork DDS in Frederiksværk and have a prototype stove manufactured.  
1975 Leave studies at the Architecture School to work at (1973) founded Industrial Design company.
